DECLARATION					
I am applying to renew my annual membership licence and I agree to observe the rules and regulations of the EGKA at all times. I accept that karate may result in me sustaining personal injury during training and when I participate in competitions. I also accept my moral and legal obligation to demonstrate restraint at all times and to avoid violent confrontation whenever possible. If I am forced to defend myself, I accept the Law only permits me to use sufficient force to stop my assailant(s) from continuing their assault on my person or any other people I may be defending at the time. To pursue my attack beyond that point would be illegal and I may be prosecuted.					
* Signa	ture:				* Date:

A pre-existing medical condition does not necessarily preclude an individual from taking up karate, but there is a presumption that all individuals take regular advice from their doctor as to whether they are medically fit enough to participate in training and competitions. You are invited to make a voluntary disclosure below if you have a medical condition you would wish attending medical staff to be advised of in the event of a training incident:
